Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 07 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Storm Barra brings strong winds and blustery showers overnight.

This Evening and Tonight:
After a brief drier spell early this evening, scattered showers will spread from the west. The showers will be heavy in places and mixed with hail, and may be wintry at times over the very highest ground. Minimum temperature 2 deg C (36 deg F).

Wednesday:
Bright or sunny spells and occasional showers on Wednesday. The showers will be most frequent in the afternoon and mixed with hail at times. Feeling cold, especially in the wind. Maximum temperature 6 deg C (43 deg F).

Outlook for Thursday to Saturday:
Dry for most with bright spells at first Thursday, but rain arrives late afternoon, clearing overnight. Breezy with sunshine and showers on Friday. Milder Saturday but cloudy with patchy rain.
